

INTERVIEW LIKE A PRO WORKSHOP

Learning Objective

Prepare for the application process for employment by developing interview skills.

Overview

Interview Like a Pro Workshop includes a video of current professionals in a range of industries sharing their tips and tricks on how to be successful in an interview. The workshop alongside the video develops students' abilities to:

- Identify personal strengths and skills that can be expressed in an interview.
- Brainstorm and explore the ways to prepare for an interview.
- Discuss and share most common interview questions.
- Practice an interview.
