2026 Chisholm VETDSS Pathway Courses

Kick-start Your Future with VETDSS at Chisholm

Combine Vocational Education and Training Delivered to Secondary Students (VETDSS) with your Year 11 or 12 studies and gain practical workplace skills and industry knowledge that set you apart. A VETDSS qualification opens doors to apprenticeships, employment, further study at TAFE, and even university pathways.

As a Chisholm VETDSS graduate, you can fast-track your enrolment into a Chisholm course the following year—either in the same study area or by choosing from our wide range of programs and career pathways.

Gain real-world experience while completing senior secondary studies. A School-Based Apprenticeship or Traineeship (SBAT) offers the perfect balance of education and hands-on learning. Through part-time employment and accredited trade training, you'll earn a nationally recognised qualification, building practical skills and workplace confidence that set you apart.

For details on programs, you can visit the VET Delivered to Secondary Schools page on the Chisholm Institute website.

Explore Your Options with Chisholm's VETDSS Multi-Trade Pathway Programs

Not sure which career path to pursue? Chisholm's VETDSS Multi-Trade Pathway Programs are designed for students who want to explore their interests. These programs include a carefully selected mix of units from related courses to help guide you toward your ideal future pathway.

Although the Multi-Trade program is primarily designed for Year 10 students, those in Years 11 and 12 are also welcome to apply.

By completing a Multi-Trade Pathway Program, you'll receive a Statement of Attainment at the end of the academic year—proof of your progress and skills gained. If you choose the Building and Construction stream, you'll also undertake units from the 22614VIC Certificate II in Building & Construction, giving you a solid foundation in this growing industry.

2026 Chisholm VETDSS Pathway Courses - Options to keep you moving forward

Please note: All Chisholm courses operate with minimum and maximum group sizes. If the minimum enrolment requirement is not met by the course start date, the course may be postponed or cancelled. Conversely, courses may close early if maximum capacity is reached before commencement.

In such cases, eligible applicants may be offered a place in the next available intake or provided with an alternative course, ensuring you still have an opportunity to pursue your studies without delay.

For details on programs, you can visit the VET Delivered to Secondary Schools page on the Chisholm Institute website.
